HEADWAY ANNOUNCES NEW LEADER FOR TECHNOLOGY RESOURCES GROUP

RALEIGH, NC — MARCH 16, 2009 –Headway Corporate Resources, a leading recruitment, staffing and workforce solutions company, announced that Al Short has joined Headway Corporate Resources' Raleigh office from the company's west coast region to head up its recruitment and staffing for IT professionals and the Technology Resources Group. In this new position, he will continue to develop Headway's Technology Resources group into additional market segments and will provide full service recruitment and staffing for contract and project based IT professionals. In working with clients locally as well as nationwide, he will manage direct-hire search and placement from entry to senior level positions from application and web developers, to architects and IT security professionals.

In his career, Al has established himself as an IT professional with over 10 years of experience in the industry working as an internal and external IT recruiter as well as managing technology development programs. Debbie Brown, Executive Vice President of Headway stated, "We are extremely excited and fortunate to have someone with Al Short's technology experience in acquiring superior IT talent and professionals for our clients."

In deciding to relocate to Raleigh, he was excited to learn how rich RTP was with IT talent. He is looking forward to developing Headway to be a prime supplier of IT talent to both the local RTP organizations as well as companies nationwide. In addition, Al remarks, "one of my goals for the year is to bring awareness to the country that Raleigh is a hub of IT talent, similar to that of the Silicon Valley. I will be looking to work with organizations in RTP to assist in developing the IT industry."
